Additional Dress Code Requirements (Females)	
Cover Up	An appropriate "cover up" (i.e. additional clothing that fully covers the dancer's uniform) is required when coming to and from the studio. Please do not allow your dancer to walk outside in only their leotard and tights. DANCE SHOES SHOULD NEVER BE WORN OUTSIDE THE STUDIO.
Hair	Ballet: Long hair must be secured in a ballet bun; short hair must be secured with a headband and/or clips so it stays out of the face. Conditioning/Contemporary/Jazz: Long hair must be secured in a secure ponytail, braid, or bun and should not fall out during class.
Jewelry	Only small earrings allowed; no watches, or other jewelry (necklaces, bracelets, or rings) allowed.
Nails	Fingernails should be kept trimmed to a reasonable length; long nails and fake nails/nail extensions are not allowed in dance class. DANCERS WHO SHOW UP FOR CLASS WITH FAKE NAILS WILL NOT BE ALLOWED TO PARTICIPATE.
Deodorant	Deodorant is highly recommended for dancers 10 and older; spray deodorant is encouraged.
Undergarments	Traditionally the female dancer's ballet tights and leotard act as undergarments and support (i.e. underwear is not worn underneath the tights or leotard, similar to a bathing suit). If you feel additional undergarments are needed for added support or coverage, we recommend they be purchased from a dancewear provider when possible (i.e. made specifically for dancers) and should be discreet and completely hidden by the uniform.
