COMMUNICATION:

- **If your dancer is identified as a close contact at the studio:**
 - GDC Co-Owner/Director Gray Stoner (GDC's COVID-19 contact) will contact the parent/guardian via email.
 - Due to the nature of dance and the inherent risk in participating in a group physical activity indoors, any dancer in the same class grouping with another dancer diagnosed with COVID-19 will be considered a close contact at GMDT. Although GDC's Health and Safety Protocols are designed to minimize exposure, maintaining 6 feet social distance between all dancers at all times during the class durations is not possible.
- **Close Contact Reporting:**
 - If your dancer is identified as a close contact outside of the studio, report it to GDC by filling out the [Close Contact Quarantine Form](#).
- **Positive COVID-19 Test Reporting:**
 - If your dancer has tested positive for COVID-19, report it to GDC by filling out the [Positive COVID-19 Form](#).
